CIVIL DEFENSE DRILL NATIONWIDE AT THE SAME TIME!

How to Find a Shelter

Find the nearest civil defense shelter;
follow these steps using
the Emergency Ready App.

- 1 Open the Emergency Ready App and tap Allow Permissions and enable Location Permission.
- 2 Tap SafeMap and select Evacuation Facility.
When a pop-up appears, choose Civil Defense Shelter.
- 3 Look for the nearest shelter and tap Route Search to get directions.
* If you don't see any shelters, make sure your location services are turned on.

Air Raid Warning

Residents evacuate. + Drivers give way to fire engines and ambulances.

Thursday, August 20, 2:00–2:20 PM

2:00 PM: Evacuate immediately when the **Air Raid Warning** is issued.

While driving: Give way to **fire engines** and **ambulances**.

2:15 PM: You may leave the **shelter** when the warning level is lowered.

2:20 PM: Return to normal activities when the All Clear is given.
